COVID-19 SAFETY INFORMATION – O4U Conference – Student Attendee

While being physically present at events held or sponsored by O4U, all participants (volunteers, staff, sponsors and their representatives, and students) are asked to practice masking, hygiene, and “social distancing” in accordance with CDC and local guidelines and host-sponsor policies. Participants are also required to submit documentation that they are fully vaccinated (including appropriate boosters) against COVID-19 at least 72 hours in advance of any scheduled face-to-face meeting. Proof of vaccination must also be presented at conference check in.

O4U accepts no responsibility for expenses associated with quarantine or isolation for participants prior to, or after, the conference. Efforts will be made to support participants who contract COVID-19 during their time at an O4U conference and quarantine space will be made available for attendees if they contract COVID-19 at an on-site event. Participants who arrive prior to, or stay following, an event do so at their own risk and expense. Organizers and O4U staff arriving in advance of an event to execute preparation activities will be covered in the same way as attendees for the length of their stay, not to exceed two days prior and one day following an event.

Because COVID-19 is extremely contagious and is spread primarily via person-to-person contact, O4U has these preventative measures in place to reduce the spread of COVID-19 and to support the needs of participants in the event of infection. However, O4U offers no guarantee(s) that any participant or guest attending O4U events will not become infected with COVID-19.

In light of the ongoing spread of COVID-19, participants who fall within any of the categories below should refrain from in-person engagement in O4U events and/or face-to-face activities. By attending an O4U event, you certify that you do not fall into any of the following categories:

1. Participants who are currently experiencing or have within the past fourteen (14) days experienced, any symptoms associated with COVID-19, which typically include fever, congestion, cough, and shortness of breath. A full list of symptoms can be found at http://www.cdc.gov/;

2. Participants who have traveled at any point in the past fourteen (14) days to a community in the U.S. that has experienced or is experiencing sustained community spread of COVID-19; or

3. Participants who believe that they may have been exposed to a confirmed or suspected case of COVID-19 or have been diagnosed with COVID-19 and are not yet cleared as non-contagious by state or local public health authorities or the health care team responsible for their treatment.

DUTY TO SELF-MONITOR:

All participants and guests agree to self-monitor for signs and symptoms of COVID-19 and to contact O4U’s health liaison—send to leah.sloan@outforundergrad.org—immediately if they experience symptoms of, or are diagnosed with, COVID-19 within 14 days of any in-person engagement(s) associated with O4U. By participating in an on-site event, and signing below, O4U has your expressed consent to require COVID-19 testing at any time 72-hours prior, during, or immediately following the on-site event. Additionally, local site hosts and/or local health officials may require additional testing. Participants must comply to these additional testing requirements.
